Club Championship/Match Play 2020:

Championship Flight – Adam Lewis – yes, again.

AUGUST:

Adam Lewis loves the party. He's everyone's darling and he's not leaving our podium anytime soon. Adam Lewis remains in a class by himself. The last 6 yrs (maybe 8, we've lost track) he has managed to find himself on the front page of this newsletter after both the President's Cup and the Club Championship. Oscar Heath finds himself in Adam's cage for the 2nd yr in a row in the Championship flite finale... Pandemic, no problem, Lewis wins 2-1 in the 36hole finale. Qualifier gave it away as Lewis blisters with a 68/64 132. Heath-140 and Luis Diaz 142.

1st Flite... Koa Morgan had to deal with the "Ruonavaara" effect. Jake Ruonavaara, cart barn raised legend still amazes himself, firing rounds of 67-72 in the qualifier. He's a utility employee and busy. Koa wins the first flite as Jake was busy again cutting power lines to save us from another CA wildfire. 14 players in this flight, sound competitors and none a rollover. The qualifying round score spread was 139 to 159. Notables-JDumoulin, APerez and KYoung. Lets just say, the old guys were picking up the rear here.

2nd Flite... Our favorite flite. A field of 11 drama queens ignite the competitive flames between the 'up-n-comers' and the not yet 'has beens'. This fiesty bunch score spread was as large as their age spread at 15 and 140 to 165. All know the thrill of victory and turnout to get a taste of it in our 2nd major of the year. Bob Lavery 140 found the trophy after years of hanging around at the top of many leaderboards... followed by SBalfour 146, BLlerena, CRodgers and PMinnifield.

3rd Flite... They come out swinging in this flite without knowing which way its going until its gone. 10 participants and some with name recognition, long list of under achievers and possibly some bad math skills. The first two that come to mind... CHauth and T Osipowich – qualifier round scores separating themselves from the field with scores of 139 and 145. M Vanvraken 151 and B Albona 153. Osipowich stood down the leader after a slow start and finished Hauth off 3/2 in the match play. TO's pic was on the cover of the last newsletter, didn't bother to update – that smile could do a dental commercial !

¡Feliz Navidad y próspero Año Nuevo!

SEPTEMBER: 4Person team / 2bestball NCGA Zone Qualifier 10teams/ 40players True, it hasn't

been the best year but when the morning greets you with sunshine ... what's better then grabbing your favorite 4 Bestie's and heading for the tee. **Hey...?** These trophy holders look familiar...3 of 4 won last year, MVanvranken(17) joins this slippery gang of Jake 'stud' Ruonavaara(3), Ken 'rdkill' Rhodes(10) and the RFarino(17) cruising to a 4 stroke win over the field at **-22, 122net.** They have a long history and reputation for unbeatable chemistry. Jake rolls with a 67 with birdies on 2, 11, 14 and eagle on 4. Rdkill propped up the team for a 10hdcp shooting 1 over, 73. Vanvranken and Farino side dishes at 95/78 and 96/79.

The remainder of the field picks up again at **-18** Lavery, Minnifield, Rupiper and Young...Crownover, Emerson, McDaniel and Purrganan...Black, McKnight, Sallee and Sobolewski.

OCTOBER: Year's FINAL BIG ONE – 2 Day/2 Man Best Ball

Membership waits on this one as they hunt

for the bub's whose got the hot stix, 2 days of hardcore, 18 teams – 2 flites – 36 players. These flite 1 combo's are tweaked just a bit from yr to yr...like trading girlfriends in mid-summer. JDumoulin and KoaMorgan kept consistent over the 2days, Regulars on the weekend SKINS tour carding 65-66, 131, -13. DRupiper and KYoung follow with 132. BDorn and RGill grabbed the last paid postion at 134

TOsipowich, MDrown and CHauth discuss 'left a lot out there' moments

Flite 2 the perennial team of CHauth and MDrown at the top of the leaderboard, -14, 140. Took them awhile to get started after day one 68, erasing any doubt with day 2 score of 62. Much the same for 2nd place, MVanvranken and TOsipowich 70 / 63 133....and its not easy when heavyweights like CDelles / RMcDaniel are in the hunt taking 3rd.at 135.

NOVEMBER: We Love the RYDER CUP

Membership likes to mix it up when they have partners. The RyderCup is perfect for finding out who of the two needs to be schooled. Changing format every 6holes, Best ball – Scramble – Aggregate will expose the trouble spots both physically and mentally. NUresti was heard saying after winning with partner SBalfour, “She may not be the prettiest but I love what she’s made of”. When guys have that kind of ‘chemistry’ you just let them keep on drinkin. 3flites, 26teams, 52players...\$1080.00 purse.

Summer Challenge: Red Tee Box Championship Qualifier.... He/She Trainwreck or a case of Man shaming?

A post-tourney discussion can sometimes drag on about all the missed putts, not being able to hit the green from 91yds and multiple and usually the same reasons why one can't break 90, 80 or for that matter, Par...and what tee boxes would an average or better than average player have to use to guarantee a sub Par round? Our tournaments are played from the blue tees (blue tees are used by the SYMETRA ladies tour) White tees are for those who can't break 80 fifty% of the time. Can you imagine the self confidence that could be built if your breaking 80 three out of ten rounds? Do you think we should include the Red (ladies tees) in our tournament schedule? then we hear, "You care to put some money on it?" As usual, Manhood gets men in trouble in the most humorous ways.

The discussion progressed with this theme, a little out of normal but the year is 2020. So wth? . It's not so much about your manhood being challenged these daze as much as it is with being comfortable/understandable with your feminine side. Like Covid, you cannot hide from it. One must stand up to it with the necessary precautions of course ...but when the challenge is offered backed by a few dollars, pull up your knickers and go fishing... Exactly what wmc member NickUresti did when a few of his competitor bubs challenged his feminine side – They looked at him and said, "For \$500, we say your he/she isn't talented enough to break par from the Red tees"...GAME ON!....BTW? what tees can you guarantee a break 80 score?

Two under through five rips driver on number six about 50 yards

Oscar Heath

OH Looking good but it's early.

Update:
Iron off tee on 8 middle fairway.
Wedge into drink. 2 putt bogey.
-1 thru 8

Oscar Heath

OH The first chink in the armor

Adam Lewis

AL Second in drink and 2 putt wouldn't that be a double?

Oscar Heath

OH Very true!!

Evan Fitzpatrick

EF That is a 6 with my math.

My bad! 2nd in drink greenside drop. Up and down for bogey.

AL

Evan Fitzpatrick

EF This is turning into a meltdown. What happened on 16

Bogey 9. Even at the turn.

Adam Lewis

AL Feeling the nerves 😊

Oscar Heath

OH And the drama begins!!

Evan Fitzpatrick

Those nerves on trying to go under par. A lot harder than it looks! Love the updates.

The smoke is going to start creeping into the eyes and make it hard to focus

Adam Lewis

If he is not under through 15 he is going to blow up on 16 and 17

AL

2 putt birdie on 10. 1 under

OH

We gotta cut Nick some slack. It's his first experience being under par. One day he'll join the big boys lol

Yeah I forgot when I was 12 trying to break par for the first time 😊. I guess we need to move him to the junior tees, do I hear another bet coming? Can he break par from the golds?

AL

Birdie 17. 2 over on 18 tee

Evan Fitzpatrick

Laughed at "Yeah I forgot when I was 12 trying to break par for the first time 😊. I guess we need to move him to the junior tees, do I hear another bet coming? Can he break par from the golds?"

EF

Oscar Heath

OH 🤔. Bet #2 from the golds. I love it

Par on 18. 2 over for 18 holes.
