WMC: Bring on 2019

The Perezident, Alex Perez Provides This Year'
" State of The Membership "
Address

Hello everyone and welcome to the 2019 Windsor Men's Golf Club season. We have a great new Board of Directors that is very energetic, knowledgeable and wanting to work with our members to make 2019 an enjoyable year for golf. We will also be working with Windsor Golf Club's incredible staff to bring you some outstanding tournaments this year.

We will be working to encourage more of our members to participate in our monthly events. With everyone's busy schedule these days some of our tournaments have experienced smaller than usual turnouts. We will be looking at new initiatives to revitalize our events. We plan to start by subsidizing the payouts at our two major events, the Presidents Cup and the Club Championship.

We also plan to give back more to the membership by providing additional raffle prizes at the 2-Man Best Ball Tournament in October. Last year's Member Guest tournament in July had a great turnout. We hope to make this year's event more entertaining and look for greater participation.

The Club's new website page is up and running. It is a work in progress and we are working to make it easy for our members to access all the pertinent information of the club and tournaments. If you have not had a chance to see it, please make your way to it at www.windsormensclub.org. Use it to see our schedule of tournaments, sign up for a tournament and view the results of the tournament. You will also find past newsletters, a money leader board and links to the NCGA tournaments.

As always, do not hesitate to bring ideas/suggestions to myself or any board member. We are here to serve the membership in whatever way we can. Have a successful and enjoyable 2019 golf season! **Alex Perez – WMC President 2019**

January 5th: Holiday Bonus Skins Returns: WGC Mgt. laying out Cash for Pro-Shop

Staff and hat-drawn WMC Members - \$1350.00 Purse

To you members that didn't react to the email invitation sent out for a special edition SWEEPS tailgate-post- holiday bonus skins game, we understand – the weather was horrific. Close to 4inches of rain fell in 12hours.

Just 7 WMC hardcore types showed for the moist 10am SWEEPS. Players stayed mostly dry playing the front nine. The pour began as we crossed over the creek on 9, but it was worth it, said BLavery. As the group entered the pro-shop, the transformation to a 'man cave' was evident as playoff football kept the attention away from the soaking .

The Pro-Shop Staff, amped up by the weather, their pending skins game, hat picked 3 wmc members 40minutes earlier than scheduled to join the festivities. On time weather fitted arrivals missed the selection process, K.rdkillRhodes, DWeller and CDelles, were not amused.

This event took a few years off, believed its WGC mgts way of handing out the holiday bonus to the pro-shop staff and a few hat drawn members of the WMC for being loyal members of support thru out the year. **T U WGC Mgt.**

The action took place on the back nine. Hat drawn members (pictured) KevinYoung, KenCrownover and MikeEdwards (via DDunlop) , NickHopkins (pro shop intern) joined the loyalty group. The group played for \$50 a hole. Apparently, some sand can exist on the other side of the counter as well. Nick was given 12strokes and had his way with the loyalty group, claiming 5skins. Ken and Kevin grabbed the remainder, Edwards somehow got zip.

The pro-shop 4 included, Jason, NeilHellman, Patrick(footjoy) and wmc member, Adam Lewis.

Just in case you had any thoughts that these' top of their game guys' being soft bellied- toe lickin Country Club types, think again, they rag tied up some rain gear, took another shot, yelled at the Saints on TV and marched out to the 10th tee box as the rain started to puddle up on the puttinggreen. Your newsletter reporter remained in the newly formed man cave enjoying a brew with Trinty claiming no provision in their contract for covering events deemed unsafe. A couple hours later the pro's were barely seen teeing up on 18. All the way back, stretched to the ole abandoned tee box. Standing greenside as they approached, Jason's ball comes in from 110yds within 4 feet and among all the holiday tidings trash talk, makes the

putt to claim a skin plus a carryover. “ Ya know despite the crazy weather there was some very awesome golf played “, said Adam, who claimed 2 skins. Patrick(footjoy) led the group with 5 skins that was highlited by an eagle on 16. The

par3's prove difficult. Few birdies on #12, 15. If you're one of those that enjoy the novelty of roostertails on your putts, wet stinky men sipping brew watching football and hailing golf shots, you probably should have showed up.

WMC Major: Two – Person Best Ball:

Our Annual Open Membership meeting put the cap on this event. All participants sat down and had a meal and discuss the direction, corrections and review the operation of the WMC. Improving our 'Club Championship' to improve participation. Time/Index constraints, format changes were discussed – work in progress as usual.

It doesn't get any better than October to throw a golf event. WMC host its 2nd Major with the 2-person best ball. Heavily anticipated all year long as love affairs begin early in the year as our tournaments progress. Solid partners have been known to disintegrate if one or the other start to have a dose of the shanxs of sorts. Teams have been known to groom their indexes as early as 4 months prior. 20 teams stepped up with two flites of 10 each. The prize \$ was pumped up cause of 'Major' status and due to only paying 3 spots in each flite.

(staff apologies for lack of press on this event. The website host reporting results has an issue. There was also a transfer of power in the Website position. All of the newsletter staff on holiday, did not play. We will attempt to gather results directly after tournaments to avoid this predicament)

Here's what's known at this hour: Attempt to gather 'tsu@wmc' results took us to a gov't message board in Madison, Wisconsin, then to a site selling tickets for Tennessee St. Univ...old guys found little humor in black tees on last 3holes.

WaltNorosky finished out of the \$ in 5th and left pissed.

RicLippencott dropped to 3rd in a tiebreaker with Hauth, Dorn, Rosener, Osopowich, Persons, Yates...tho not confirmed Staff can re-run results in next issue, we know how important it is to your sponsors as demonstrated by Sergio in Saudi Arabia.

Modified Ryder Cup: Scramble – BestBall – Aggregate

Year-end weather holding on for the golfer. When you're a golfer 'drought' is 'ok'. Sun was up and heating up by the time we reached the driving range with our smug comments directed towards our adversaries. 2Flites, eleven two man teams in the first flite, 12 teams in the 2nd flite. Three different format totals every 6holes. The lowest total in both flites – scramble 20 (2 first flite teams: Balfour/Coscia and Delles/Diaz), BBall 17 (APerez/TRossi 2nd flite), Aggregate 42 (Final winners in both flites). Soooo, that's how it goes?...Do well in the 'Aggregate' you finish in the money. Paying 4 spots.

Left: Dave Weller with AndyBordessa, 2nd flite winners.

Proud Winners of the Pro-Pres Tourney, Jason/Dave Howard
(whoa! Dave can break cheek w a smile)

A road trip with the Windsor pros for tournament golf is always a good time. Outgoing board members Walt Norosky and David Howard joined Jason and Demian in the Sierra foothills for the 2018 Norcal PGA pro/president competition. Format is best ball, Jason with Dave and Walter paired with Demian. The course was Winchester Country Club just north of Auburn around 2000 ft above sea level. The course stretches to 7200 yards, the tournament director was kind, all played the same markers at 6363 yards. A rolling, tree-lined course designed by Robert Trent Jones Sr. and Jr. was in terrific shape. After quick stop in old Auburn for refreshments it was up the hill to check in, have a nice breakfast burrito and warm-up. The two teams were paired together for the shot-gun start competition, ready golf and smack talk allowed. I had a front row seat as Jason and Dave coasted to a 62 and a two stroke victory, powered by net eagles from Dave and steady play by Jason. Demian took advantage of the shortish lay-out, sticking with long irons off most tees, and played a very nice round of golf. Alas no help from your humble narrator as our team carded a 73 to finish middle of the pack. After a bull session with good old Charlie Gibson, dinner and the presentation it was back down the hill to Windsor, looking forward to the next round.....contributed by Walter Norosky

Jason has his best year in 2018: the excitement continues.

Chapman Format: Hit Drives – trade 2nd shots – Alternate

This roster got lucky as most were saying hitting they balls on the range. The sun was out and we were lucky because were fitting this one in between a couple of cloudy wet days. Playing a tournament in January is always tricky. Just the reason why the tourney committee throw these wild formats at the membership, you have a partner to blame for that last shot. There was more mud than turf on your clubface afterwards. The show included 40players - 2 man teams, 2 flites, 10 teams in each.

The mood was pretty serious due to the start of the new year, grumpy weather. "Getting off to a good start was the key", said ScottBalfour as he and TonyCoscia led the first flite in a 3-way tie break at -8.

USGA,The Sandbagger & U

The USGA has done studies on the odds of a golfer shooting a score better than their handicap and has published tables for these occurrences. **An exceptional score is defined as any score where the odds of shooting this score are equal to or greater than 24:1. Calculations are rounded to the nearest whole number.**

If the pleasure in golf lie in hitting the ball, and in seven a hole you do, Then I who have played fourteen in all, Have had twice as much fun as you!!!

Golf appeals to the idiot in us and the child. Just how childlike golf players become. This is proven by their frequent inability to count past five.-- John Updike

Are you aware of the major golf rule changes 2019 summary?

The Golf Rule Changes 2019 summary is the evolution of the process which was set out 2012. They call it the modernization process of Golf to ensure the more accessibility in Golf. It is made for easier understanding for newcomers and more attraction in the Golf game. In 2019 the USGA rules of Golf has changed a lot which requires feedback from the people like you which will be found in the official website of USGA.

The details are-----

Ball in Play

Ball at Rest:

If ball moves accidentally when the ball at rest in ball marker or while the ball is on the putting green there is no longer a penalty. The current rule is a 1-stroke But in this new rule, the golfer will get over it.

Replacing the Ball or Lifted Ball:

Replacing a moved or lifted ball: New rules applied if you do not know where exactly the ball was at rest. You have to replace the ball on its exact spot rather than drop the ball.

Ball in Motion:

The new rule applies the accidental deflection when the ball in motion. If the ball accidentally hits the golfer, caddie or the person attending or removing the flagstick, no penalty allowed. In the current rule 1-stroke penalty was the punishment.

Rules for specific Areas

Putting Green:

Under the current rule, you will have a 2-stroke penalty. Under the new rule changes in 2019, you are allowed to touch your line of putt or touch the putting green in terms of pointing out the target. There is no longer any penalty if your caddie does that so without any authorization.

Penalty Areas:

Under the new golf rule changes in 2019, no player is allowed to take the relief from a red penalty area from the other side from where the ball entered unless the committee allows the local rule.

Bunkers:

No penalty with exception when a player is in contact to the sand of bunker using hands in order to test the conditions of the bunker, in making a practice swing, using the club in the area around the ball.

Make a Stroke or Playing a Ball

Advice and Help During the Stroke:

As par, the new rules the caddie cannot deliberately stand on the line or close to the extended line of play just behind the player when player taking a stance for a stroke.

Under the new rule, the caddie is now allowed to lift and replace the ball without the player's authorization to do so.

The current rule does permit it with a 1-stroke penalty.

Taking Relief

Rules about Dropping a Ball in a Specific Relief Area:

If you are allowed to drop the ball freely under such circumstances mentioned in rule 24 and rule 25, you must drop the ball from knee height. The current rule is to stand erect, drop the ball from the shoulder height.

Lost or Embedded Ball:

A ball is considered lost if it is unavailable for more than three minutes. The current rule was five minutes after you begin searching for the ball.

Substitute Ball:

Under the new rule, you may continue to play with the original ball or another new ball, whenever you take free relief or penalty relief.

Under the current rule, the ball must be dropped if it moves to any specified areas mentioned in rule 20-2c.

Equipment

The Damaged Clubs:

A player is allowed to keep using his or her damaged club in any kind of damage or any kind of cause of the damage, even if the player damages it in anger.

As per the current rule the damaged club can be used if you have damaged it by the normal cause on the game.

Other Equipment:

A distance measuring device is allowed if the local rule does not prohibit their use.

Under the current rule, DMD's are prohibited unless any local rule permits to use.

Promoting the Faster Pace of Play

The USGA Rules 2019 also Promote the Faster Pace of Play:

There is no penalty for being slower. But the faster pace will save time and investment as well as increase the attraction of the game.

The Pace of Play:

The new rule recommends 40 seconds making a stroke, and usually less than that.

There is no penalty if you are out of turn in play and ready golf is recommended while it can be done in a safer way.

The current rule is just specified it wrong or allowed.

Player Behavior

In Golf player behavior is also equally important with playing. Sometimes it comes first in play. You will not see anyone in the Golf Course with jeans or casual shoes. In most cases, even a boy will come tucked in and capped at Golf Course

Standards of Conduct:

To protect the spirit, new rule expect better behavior which is a go with the Golf from the players. Any misconduct gives the committee the discretion to disqualify players.
