### First Flite:

**Adam Lewis** continues to haunt another leaderboard. He's present again at our 2-day W MC summer classic, the **President's Cup**. Reigning in his 3<sup>rd</sup> (4<sup>th</sup>?) consecutive crown. Currently holding a string of Club Match-Play Championships, he collects another President's Cup Crown. Adam scores of 65/72 wins by 2shots.

Stringing along birdies on the back nine to keep his dominance alive. "Just play my game, can't control what others do. However, must admit some of those putts rolled forever and eventually surprizingly found the cup." Damian Reddy, part-time wgc youth instructor and clubhouse all-star, admits that, "Adam probably has the most excellent scoring at WGC than anybody, he's in his prime and it may continue for awhile longer unless the club can add some youth. Hey, I'm doin what I can. Meanwhile, keep a sense of humor."

**ChrisJames** followed with a sizzling 2<sup>nd</sup> day tourney low of 66. He's been on the DL with a shoulder surgery but with a little advice from WGC instructor, MollyJames, " She watched my swing and pointed out a lack of shoulder turn, showed me on film. Naturally, with the mending one would be a bit timid in letting it go. It added distant but more importantly straightened out my shot line considerably. "

**TrinidadMacias** carried 3<sup>rd</sup> another tie-breaker battle over VicSallee.

Other day money winners in the first flite included:

RenePuragganan-Day1 2<sup>nd</sup> 66 and RandyGill-Day2 2<sup>nd</sup> 67

## 2018 President's Cup ... 2<sup>nd</sup> Flite: Bob Lavery

**BobLavery** refining his game to lead the talented and skillful 2<sup>nd</sup> flite. In the first round he throws down a net 69, sleeps the lead with little worry and scores a net 72 at Sunday's early start second round. KenCrownover kept on his heels and polished 2<sup>nd</sup> place with back to back net 72's. Randall Penrich placed 3<sup>rd</sup> carding 2 rounds of 73. Plinski Brother's still fighting it out after all these years. Larry ends up on top with a two day total of 148. Greg follows closely with 151. Paying 4 spots, \$190, \$140, \$115, \$60. These same fellas take the day monies as well...1<sup>st</sup> day Lavery \$50, Crownover \$25  
2<sup>nd</sup> day LPlinski Penrich

## 2018 President's Cup ... 3<sup>rd</sup> Flite Chris Hauth

**ChrisHauth** always performs well for this event. Holding the title again as **President's Cup 'Low Net'** Champ carding 2 scores under his handicap of a mere 70 and then blowing it up the 2<sup>nd</sup> day with a 64, for a total of -10, 134.11 strokes back Dennis O'Leary 145. WaltJohnson, always the sleeper takes 3<sup>rd</sup> 146. The ole Master, Jeff Rosener, hanging around to shoot his age, places 4<sup>th</sup> 147.

## JasonSchmuhl Still Raising the Bar for WMC Members/Windsor Golf, Qualifies PGA in his backyard at Bayonet GC.

Ruckus crowd in our clubhouse, like previous years, watching Schmuhl banging golfballs on the big screen.

This year at Bayonet (par72) he was so far ahead of the pack he didn't get much camera time. The network was busy keeping the drama going with those pro's at the 'cut' line. Jason was well inside the top 20 qualifying for the trip to Bellerive GC, outside St.Louis, for the 100<sup>th</sup> playing of the Tour Championship.

Making it look easy this time, placing 4<sup>th</sup> out of the 74 pros made that made the final cut at Bayonet. Not bad for a guy that hit's an occasional bucket. "I'm always practicing in my mind, but in reality, I don't think anybody expects me to make the cut, I'm playing against the best in the world and they make millions doing so." At 46 he feels if he keeps a good relation with Father Time, keeps giving himself opportunities he'll eventually get the job done somewhere. "When I walk out there at Bellerive, my thought is **have fun, play aggressive and play without fear.**" He figures that should equate to two good rounds and making the cut. Not his first rodeo...the first was 2010, at Whistling Straits. Qualified twice since but was turned away by klanking the playoffs. No need this time, his scores 71-68-72 solidified his trip to St.Louis. "Ive never been to St.Louis, I hear it's wonderful there in September", said with an eye roll. He appreciates the support from the Windsor golf community family and grateful for the opportunity....Update: Jason at Bellerive – 74/73 MC.

## SWEEPS Final...2018 Money Season Comes to an End

Koa Morgan toasting his 72 at Sweeps Final

Wednesday's 4pm weekly WMC 9-hole showcase had its 18hole final tournament with nearly 40 players coming to collect some dough. KenCrownover and DaveHoward keep the event running yet another year. Its season coincides with the March's time change to the seasonal appearance of pumpkins, roughly March thru October. It's the only event the WMC has that involves a cash payout. Players must play a minimum of 5 Wednesday's to qualify for the final because a small portion of each weeks entry of \$6 is harvested for the big payout final. A few players slipped under those requirements but felt the love as they were granted participation. Top 6 scores, net/gross get paid out. Player's can opt into additional SKINS, both net and gross for \$5 each.

Koa Morgan, booming the long ball somehow got his iron game and putting together when the money got thrown down. Scoring his best round of the year with a gross 72, grabbing the top spot and pocketing \$400. He was followed , AdamLewis, RonMeyer, ChrisJames and KenCrownover.

"It's the most exciting tournament of the year because its cash, it's nearly at the end of our season when most players game have all the fruit they've been working on all year", says Gene Merritt.

BrianDorn (left) showed some excitement at Kortney's/Charlie's buying a round after cashing in on a 3 week carry over skin on #8. Honorable mentions go out to VicSallee and WaltNorosky for dealing with a small handicap issue and a cash out discrepancy of \$5. The Cult known as "Dark Sweeps" a small contingent of SWEEPER die hards will continue to meet on Wednesday to keep the brotherhood alive, as those who know, 'it's the best 9holes of the week'...and hurry back.

## Member-Guest: 2 Flites plus a Callaway 39 Team Total

One of our best and favorite outings of the year. Always a beautiful time of the year to get your bestie in here or a long weekend with an obligated family member. Re-scheduled to a Saturday to provide the full weekend effect. Some new, some old and some always stay the same when speaking of pairings. Callaway flite had the largest draw at 14 teams. At the putting skills challenge, Guest BjLipetz, the only donator that dropped in a swirling 33foot putt to be the only winner, where a \$5 donation paid \$50. Vic (trust your swing) Sallee was skeptical, demonstrated the putt and drained it, walked away thinking he should have made a donation. Callaway Flite had a 5 spot payout, Flites one and two only 4 because of lesser participants.

## Sept 9 2019 NCGA Zone Qualifier

This event is a year long engineering project for a team to make an impression. We don't bring in any 'shmoe' to get this chemistry disturbed. Players calculate handicap comps, long hitters no short game, short nockers great putters, alpha males and even beer intake consumption. The reward...a weekend golf bender to PoppyHills which includes green and cart fees paid by the club. When the team gets there they'll be tested because the best **sandbaggers** in the world hang out in these circles known as the **NCGA Qualifier series**.

Three-fourths of the winning NCGA Qualifier team

A knock out in the tie-breaker, back nine score, was given to the crafty and experienced team of Jake(kid)Rounavaara, Ken(rdkill)Rhodes, Tom(damn!!)Osopowich and Ron(nodogbowleveragain) Farino scoring 123. A late surge from another aged group of vets, DennisO'Leary, KevinYoung, Dr.Rupiper and TimPersons, comes up just short matching the 123. Our 3<sup>rd</sup> place group was headed by the just under the radar AdamLewis, RonMeyers, MikeEdwards and RickHanson carding 125. A total of ten teams participated.

## Most Improved Player Recognition: "...have fun, play aggressive and play without fear."

Our handicap department threw this out and its worthy of some attention. Congrat these guys when you see them out there. It's what we all aspire to be in a club that measures daily performances. One hole at a time is simpler but these dudes are hard for all 18 time and time again.

Most improved golfers from Oct. 1, 2017 to Oct. 1, 2018:

Our top 3.....ErikOmlid, JoeSobolewski and AdamLewis

Board Member positions are open, details to be presented at 2man Championship, October 13/14.

A little old lady was walking down the street dragging two large plastic garbage bags behind her. One of the bags was ripped and every once in awhile a \$20 bill fell out onto the sidewalk. Noticing this, a policeman stopped her, and said, "Ma'am, there are \$20 bills falling out of that bag." "Oh, really? Darn it!" said the little old lady. "I'd better go back and see if I can find them. Thanks for telling me, Officer." "Well, now, not so fast," said the cop. "Where did you get all that money? You didn't steal it, did you?" "Oh, no, no", said the old lady. "You see, my back yard is right next to a golf course. A lot of golfers come and pee through a knot hole in my fence, right into my flower garden. It used to really tick me off. Kills the flowers, you know. Then I thought, 'why not make the best of it?' So, now, I stand behind the fence by the knot hole, real quiet, with my hedge clippers. Every time some guy sticks his thing through my fence, I surprise him, grab hold of it and say, 'O.K., buddy! Give me \$20 or off it comes!' "Well, that seems only fair," said the cop, laughing. "OK. Good luck! Oh, by the way, what's in the other bag?" "Not everybody pays."
